LEARN MORE...

Centrally located in Vista, California just a few minutes from I-5, Highway 78, and I-15 near the popular amusement park Legoland, Palomar Airport, and only a mile from the old famous Carlsbad Raceway

77,000 sq. ft. of professionally maintained track with beginner and pro lines for participants of all abilities (about the same size as an AMA Supercross venue)

10,000 sq. ft. mini dirt track with simple terrain, pit area and track-level viewing area for parents and spectators

State-of-the-art timing system records every lap of every race or practice session for each participant with detailed printouts available for analysis

Large racer information video display shows lap times and positioning for an enjoyable and competitive experience for participants and spectators alike

Video cameras capture every practice and race session for future review and bragging rights

Bike storage and valet services will safely store, clean and transport bikes, so they are ready for use at a moments notice
